

Lino™ Chairs

Lino lives at the nexus of comfort and value. Charged with designing a high-performance work chair at an exceptional value, award-winning designers Sam Hecht and Kim Colin found inspiration in constraint. Thanks to their design prowess and Herman Miller's ergonomic expertise—including our patented PostureFit™ technology—Lino joins our portfolio of high-performance work chairs.

Lino™ Chair

Key Features

- High-Performance Suspension**
Features integrated lumbar support and comfortable aeration. It's available in six colors.
- PostureFit**
Achieved when the optional, adjustable back support is added to the chair—offering additional sacral and lumbar support.
- Arm Options**
Available with no arms, fixed arms, height-adjustable arms, or fully adjustable arms. The arms were carefully considered, smartly mimicking yours: wider at the elbow and slimmer at the wrist.
- Seat**
It's contoured seat works together with its high-performance suspension to give you total spinal support, whether you're sitting still or moving around.
- Seat Depth Adjustability (Work Chair Only)**
Available with seat depth control to accommodate people of various heights.
- CMF Range**
Comes in a Black or Mineral frame, six suspension options, and a variety of upholstery options with dozens of fabrics available for the seat.
